The Clash at Clairemont celebrated their 10th anniversary on June 25th! The Clash at Clairemont is an annual day of Skate, BMX and Music is a fundraiser for the **Mission Valley YMCA / Krause Family Bike and Skatepark and Grind for Life's Program** that's sole mission is to help people with cancer.

Pro Skateboarder Andy Macdonald, the YMCA, Grind for Life and industry sponsors like Pacsun and SoBe beverages started the first event in 2007. This year more than 45 of today's best action sports athletes participated along with nearly 200 sponsors.

There was a lot of action, families, music and money raised for a great cause!

Pro-Skaters Andy McDonald and Mike Rogers (cancer survivor) make it look easy.

WORKING TOGETHER GETS THE JOB DONE!

In early June, I teamed up with **Beautiful Mission Beach, the Mission Beach Town Council** and Supervisor Ron Roberts to host the Mission Beach FLY Summit. The problem is a summer infestation that is magnified by 20,000 visitors each weekend to this tiny strip of land. The City of San Diego had previously provided a second trash pickup during the hot summer months, however, that service was eliminated in lean budget years.

Together, the community helped to convince my Council colleagues to approve my request for an additional trash pickup this summer. This has been several years in the making and I am grateful to our City Attorney Jan Goldsmith, Mayor Kevin Faulconer and the City Council for helping to make it a better summer for residents, visitors and business owners.

CLEAN BEACH COALITION PLACES EXTRA-LARGE TRASH BINS ON BAY AND BEACHES FOR HOLIDAY TRASH OVERFLOW

Councilmember Zapf joined public safety personnel, coastal business owners and I Love a Clean San Diego at the **2016 San Diego Clean Beach Coalition Bin unveiling**.

Zapf announced that 125 bins for temporary trash and recycling bins will be placed in Mission Bay, Mission Beach, Pacific Beach, and Ocean Beach to prepare for the anticipated July 4th crowd of beach and park goers in her district. **“People put your trash in the garbage bins...how hard is that?” said Zapf.**

I was pleased to join Mayor Faulconer, Council President Lightner and Councilmembers Cole and Gloria at the 2017 Budget Signing.

It was a good year for San Diegans! The Mayor presented a great budget and the City Council unanimously supported this collaborative effort.

Many city services have been restored to pre-recession levels with an emphasis on infrastructure, public safety and arts & culture. District Two will benefit from more funding for Police, Fire and Lifeguards, improved street lights, increased Park and Recreation Staff at Mission Bay, Mission Beach Fly Abatement, Street Paving just to name a few.

MORNING AFTER MESS CLEANUP!

Councilmember Zapf with I Love a Clean San Diego staff at the Mission Beach Cleanup.

Thanks to the leadership of the **Surfrider Foundation San Diego County Chapter**, **SAN DIEGO COASTKEEPER** and **I Love a Clean San Diego** the **Morning After Mess** was a success.

Over 300 volunteers picked up 1,131 lbs. of trash left on the beaches and bay from the 4th of July weekend. The entire Council District 2 staff volunteered and helped clean up Pacific Beach, Mission Beach and Ocean Beach. A job well done by all!!
